25X1A

39th Artillery Regiment

Col. Starostin

C/S of Regiment: Capt. Mieczajew

Components:

1st "Dywizjon"

2nd "Dywizjon"

3rd "Dywizjon"

Previous information on this division confirmed except that the 37th Infantry Regiment, instead of the 29th Infantry Regiment, was reported as the third infantry component of the division. It is not certain that this was the correct designation of this unit, but it has been stated that part of it had been detailed to guard the border in the Kladsko area. Previous report: According to a part of the First Polish Army since July 1945.

Jelenia Gora, on the outskirts of the town in ulica Grunwaldska.

Previously reported CO of the 39th Artillery Regiment, he was replaced in September 1946.  
(Previously reported as Michajew.)

Equipment: 12 x 76 mm guns  
4 x 122 mm guns

WARNING NOTICE: THIS DISTRIBUTION LISTING MUST BE  
EXCISED BEFORE PUBLIC RELEASE OF THIS DOCUMENT.
